AUGUST DEBOUZY ADVISES FRED DE LA COMPTA IN CONNECTION WITH ITS FUNDRAISING WITH NEWALPHA ASSET MANAGEMENT AND GO CAPITAL.

Private Equity M&A | 10/12/18 | Julien Wagmann

August Debouzy advised Fred de la compta, provider of a smart accounting solution that connects accounting firms and entrepreneurs, in connection with its €4 million fundraising, by opening its capital to NewAlpha Asset Management and Go Capital. Its current shareholders including Anaxago also participated in the transaction.

With this third investment round, the start-up, a key technology partner of accounting firms, expects to ease its international expansion. The start-up also intends to generate around 15 new positions next year in order to strengthen its engineering, sales and support divisions.

Fred de la compta was advised by August Debouzy with a team composed of Julien Wagmann (partner) and Laure Khemiri (associate).
