AUGUST DEBOUZY: PARTNER OF VIVA TECHNOLOGY, A WORLD-CLASS INNOVATION EVENT TO BE HELD ON MAY 16TH – 18TH, 2019

| 24/04/19 |

For the second year running, AUGUST DEBOUZY will be attending the VIVA TECHNOLOGY Paris 2019 event as a partner (Stand L18). The event will be held from May 16th to May 18th, 2019, at the Paris Exhibition Center at the Porte de Versailles.

“Through this partnership, August Debouzy reaffirms its ability really understand innovation and structure the projects of tomorrow. Innovation and a modern vision of legal services has always been part of our DNA. By remaining in sync with the opportunities for growth of its clients, August Debouzy provides legal advisory services that are aligned with the sweeping changes associated with the digital transformation of businesses and positions itself as a reference law firm for players in the digital sector”, said Mahasti Razavi, Managing Partner at August Debouzy.

The understanding our lawyers have of new technologies – artificial intelligence, big data, blockchains, machine learning, connected objects – makes them natural partners of choice in providing legal support to businesses with their digital transformation. August Debouzy's Start You Up program, for startups and growth companies is another illustration of the firm's commitment to the future, and the 2019 award winners of this program will be present at August Debouzy's stand.

Workshops will be held on the stand the 16th and 17th of May :

- « Shareholders agreement : keys for a successful fundraising »
- « GDPR : one year later »
- « GCU /GCS : good practices »
- « Security Token Offering (STO) »

About Viva Technology Paris

Co-organized by the Publicis Group and Les Echos, VivaTech is the annual event for startups and leaders to celebrate innovation. This international event, dedicated to the growth of startups, digital transformation and innovation, will take place on May 16th - 18th, 2019 at the Porte de Versailles in Paris. More than 100,000 visitors attended the third edition, an increase of more than 47% in one year. Viva Technology 2019 will build on this success and will bring together startups, business leaders and executives, investors, academics, students and media from around the globe.
