### TRANSPORTATION

August & Debouzy advised Keolis, a specialized company in urban and intercity transport, as part of its strategic, commercial and capital partnership with LeCab, a French leader company specialized in the passenger transportation through chauffeur-driven car.

Keolis concluded a strategic commercial and capital partnership with LeCab March 18, 2016, becoming to LeCab a leading industrial partner. With this partnership, LeCab could rely on the national establishment of LeCab to accelerate the development of its activities throughout the entire French national territory and Keolis could improve its offer of mobility solutions and to strengthen its multimodal position.

Keolis was advised by August & Debouzy, with a team led by **Julien Aucomte**, partner, **Emilie Cazes**, senior lawyer, **Laura Favier**, lawyer, regarding the corporate aspects, **Mahasti Razavi**, partner and **Coralie Vaissière** lawyer, in commercial law and intellectual property, **Emmanuelle Barbara**, partner and **Diane Reboursier**, counsel in labor law.
