

COMMUNIQUÉ

AUGUST DEBOUZY ADVISED LUMOS APPS ON ITS CAPITAL RAISING

M&A | 20/01/22 | François Richard

August Debouzy advised Lumos Apps, a French startup specialized in mobile applications, on its €1.6 million seed financing round from Breega and Bpifrance.

Lumos Apps deploys prediction and automation solutions based on the publishing model, which has been successful in the mobile gaming industry.

Lawyers:

August Debouzy assisted Lumos Apps with a team composed of Julien Włodarczyk (Counsel) and François Richard (Lawyer).
