AUGUST DEBOUZY ASSISTED ADVEO FRANCE, FRANCE'S LEADING OFFICE SUPPLIES WHOLESALER, WITH THE ACQUISITION OF TOP OFFICE AND TOP OFFICE BUSINESS

Restructuring Operations | 18/07/23 | Laurent Cotret Alexandra Berg-Moussa

August Debouzy firm advised Adveo France, the leading wholesale distributor of school and office supplies in France, Belgium, the Netherlands and Luxembourg and owner of the Calipage, Plein Ciel and Buro+ brands, on the acquisition of some of the assets of Top Office and Top Office Business, a network of over 30 office equipment superstores.

The deal is in line with Adveo France's strategic ambition to expand its network of local distributors, specifically through the creation of a franchise network built around the Top Office and Top Office Business brands, and to increase its presence in e-commerce.

With upwards of 1,000 members throughout France, including more than 400 under the Adveo banner, Adveo France is now a key player in the office supplies distribution market.

The August Debouzy team was represented by Laurent Cotret (partner) and Rebecca Fraguas (associate) on the corporate side, as well as by Alexandra Berg-Moussa (partner) on the distribution law, intellectual property and IT/Digital side.
