## AUGUST DEBOUZY ADVISED TNP CONSULTANTS, A MANAGEMENT CONSULTING FIRM SPECIALIZING IN STRUCTURAL TRANSFORMATIONS.

Tax Law | 18/07/23 | Philippe Lorentz Alexandre Dumortier

August Debouzy advised TNP Consultants, a management consulting firm specializing in structural transformations, in the acquisition of the Data Governance team from Infhotep, a consulting and software publishing company that has been providing the Adequacy software for personal data management since 2016.

This transaction allows TNP to strengthen its position as a leader in data consultancy. It effectively incorporates complementary key expertise to provide operational solutions for data processing compliance processes and to enhance the management of informational assets, particularly within the public sector, local authorities, education, and research domains.

August Debouzy acted on behalf of TNP Consultants. The team consisted of **Philippe Lotentz**, partner; **Ludovic de Talancé**, attorney; and **Alexandre Dumortier**, senior attorney.
