LEGAL 500 EMEA 2026 RANKINGS

Intellectual Property, Media, and Art Law Public Law and Public Procurement Law IT and Data Protection
Compliance Employment and Social Security Law Patent Law | 25/03/26 |

August Debouzy has once again been recognized in Legal 500 EMEA 2026, demonstrating the strength of our expertise and the acknowledged excellence of our teams across all practice areas.

Top-tier recognition across 8 practice areas (Tier 1)

Our firm has been ranked **Tier 1** in the following areas:

- Administrative and public law
- Compliance
- Data privacy and data protection
- Employment
- Industry focus: IT and internet
- Intellectual property: Patents
- Media and entertainment: Newspapers
- Media and entertainment: Sports

These top-tier rankings underscore the firm's ability to advise clients on complex regulatory, technological, and litigation matters.

Expanded recognition across multiple practice areas

August Debouzy has also been recognized in more than **20 additional practice areas**, with several notable advancements, including:

- Administrative and public law (**Tier 1**)
- Insolvency (**Tier 2**)
- Intellectual property: Trade marks and designs (**Tier 2**)
