

COMMUNIQUÉ

ACQUISITION BY COLLIERS INTERNATIONAL FRANCE OF ICADE ASSET MANAGEMENT AND ICADE CONSEIL

Private Equity Employment and Social Security Law IT and Data Protection Competition, Retail and Consumer Law Commercial and International Contracts Intellectual Property, Media, and Art Law M&A | 14/10/16 | Julien Aucomte Mahasti Razavi Diane Reboursier

August Debouzy advised Colliers International France in connection with the acquisition of ICADE Asset Management and ICADE Conseil.

August Debouzy advised Colliers International France, one of the world's leading real estate consulting firms, in the acquisition of the entire share capital and voting rights of ICADE Asset Management and ICADE Conseil (subsidiaries of the ICADE group), an asset management and investor advisory services platform in France.

This acquisition carried out by one of the subsidiaries of Colliers International France strengthens Colliers' current activities in asset management and advisory solutions for investors and real estate developers in Europe.

Colliers International France was advised by August Debouzy, with a team led by Julien Aucomte, partner, and Emilie Cazes, senior associate, on corporate aspects, Mahasti Razavi, partner, and Howard Tempier, associate, on contracts and IP/IT aspects, Diane Reboursier, counsel, and Lise Le Borgne, on labour aspects.
