## BIOGRAPHY

### SENIOR ASSOCIATE, EUROPEAN PATENT ATTORNEY

Martin Brion joined our team Technology Intellectual Property Media in September 2012. Martin Brion acts for French and foreign clients in connection with their patent-related issues within the group led by Grégoire Desrousseaux and François Pochart.

Martin Brion advised on several patent infringement actions in France in various technical fields. He regularly advises our clients on employee inventions matters, for their employee inventor policy or to assist them at the CNIS.

Graduated from the ESTP (civil engineering degree) and holding a B.A. and Masters degree in Business law, University of Paris II, Martin Brion worked at several law firms as an associate.
