BIOGRAPHY COUNSEL

Clara Ferrari joined the tax department of August Debouzy in January 2010 and deals as a Counsel with individual and asset taxation (in particular, international mobility and property wealth tax (IFI)) as well as corporate taxation.

She advises the officers and shareholders of family businesses in connection with the transfer and tax structure of their assets (in particular, contribution-transfer, Dutreil transfer). She has also developed an advice and litigation expertise assisting regulated professions with their legal and tax issues. Clara Ferrari also assists our clients with their tax litigation and audits.

She advises French and foreign companies as well as groups of companies on the day-to-day management of their tax affairs: tax consolidation, calculation of debt/debt-equity ratio, structuring of intra-group payment flows, coordination with foreign law firms and their relations with tax authorities (requests for approval and tax audits).
