BIOGRAPHY PARTNER

Bernard Cazeneuve mainly focuses on international compliance and brings with him in-depth knowledge of business ethics issues, corporate governance, and internal and international requirements in relation to the corporate duty of care (*devoir de vigilance*).

Through his government or parliamentary functions and duties, Bernard Cazeneuve was involved in the drafting of national and European legislative provisions on the prevention of, and fight against, corruption as well as on the fight against money laundering and terrorist financing. He has therefore gained extensive European and international expertise in these matters.
