## BIOGRAPHY ASSOCIATE

Lola Elbaz primarily advises clients on white collar crime and criminal risk prevention. In this capacity, she assists and represents companies and executives in criminal proceedings initiated by judicial and regulatory authorities for economic and financial offenses.

She has also developed extensive expertise in anti-corruption and anti-money laundering matters, assisting the firm's clients with the implementation of their compliance programs as well as during related investigations.

Before joining August Debouzy, Lola worked with investigating judges in the financial division of the Paris Judicial Court (*Tribunal judiciaire*) and practiced criminal defence at top-tier law firms.
