AUGUST DEBOUZY ON THE SALE BY INFRAVIA OF THE ENTIRE SHARE CAPITAL OF FRASIE TO QUAERO EUROPEAN INFRASTRUCTURE FUND

| 10/05/17 | Marie Danis

August Debouzy advised InfraVia, represented by its management company InfraVia Capital Partners, in connection with the sale of the entire share capital of Frasier, a company which constructs and operates on-site water and waste-water treatment plants for industrial clients, to Quaero European Infrastructure Fund. Frasier operates through long term contracts with industrial customers in France, in particular in the agri-food, non-alcoholic beverage, pharmaceutical and perfume sectors, whose execution is sub-contracted to water solution specialists.

August Debouzy's team was composed of Julien Aucomte, partner, Laura Favier, Elsa Jospé and Maxime Legourd, associates. InfraVia was also advised by EightAdvisory on the financial aspects.
